ACADEMIC PROJECTS

- ❖ **Infobot : Document issuing information provider website**
Infobot is a information provider website which currently has functionality to provide information regarding issuing college regarding documents and government documents such as required documents to apply and links to apply online. Infobot is a team project of 4 members in which I am working as a frontend developer. I prepared Homepage, login page and Chat page for this project as it's development is in working stage currently.

GitHub : [Infobot](#)

HOBBIES

- Watching Movies
